

RP.3.1 RELLIS Standard Operating Procedures

Approved October 01, 2023
Next Scheduled Review: October 01, 2026

Procedure Summary

The Director, RELLIS Campus, is responsible for instructions and procedures governing the use of RELLIS Campus Research and Testing Areas (RTA), in accordance with FAA regulations and System Regulation *02.03.01, RELLIS Campus*.

Procedure

1. RESPONSIBILITY

The Director, RELLIS Campus, will establish a Standing Operating Procedure (SOP) outlining responsibilities and procedures for all organizations utilizing RELLIS RTAs.

2. GUIDELINES

- 2.1 The SOP specifies responsibilities, instructions and procedures for all operations pertaining to the RELLIS Campus. The SOP also defines safety guidelines and regulations for utilization of the RTAs.
 - 2.2 Organizations utilizing RTAs are encouraged to submit recommendations concerning improvements or changes to the associate director for operations, RELLIS Operations Center.
-

Related Statutes, Policies, Regulations, Rules or Requirements

[System Regulation 02.03.01, RELLIS Campus](#)
